Blue Mountains National Park

Scenic World

Scenic World is one of the most renowned tourist attractions of Katoomba and the Blue Mountains. Located on the cliffs of the Jamison Valley, visitors can enjoy a ride on the Scenic Railway (the world's steepest incline railway) or the Scenic Cableway, into the Jamison Valley, and explore the Scenic Walkway from the base. Alternatively, the Scenic Skyway offers a bird's eye view over the valley, with a glass floor to enhance the experience. Scenic World also features a revolving restaurant, a cafe and a kiosk, in addition to the documentary theatre and souvenir shop. Rides can be purchased, starting from \$16 for adults and \$10 for children, and combination or family passes are available. [More info.](#)

Vaniman's Lookout

Vaniman's Lookout is a fenced, long and narrow lookout on the cliff edge, opposite Reids Plateau. The view looks directly over the Three Sisters across the Kedumba Valley, under the Scenic Skyway. The lookout was considered one of the finest views on the Three Sisters in the 1900's. The lookout was named after Chester Melvin Vaniman in 1905, a well-know adventurer and artist from the USA, who visited the Blue Mountains in 1903. [More info.](#)

Rainforest Lookout

Unlike many lookouts in the area, Rainforest Lookout does not offer sweeping valley views. Instead, this lookout offers an opportunity to get up close and personal with the canopy of the rainforest. Spend some time in the cool shade listening to the birds and Witches Leap creek passing by. A sign at the lookout explains that there once were wood-fired barbeques here for picnics, but removed due to the toll on the local environment.

Vera's Grotto

Vera's Grotto is a pleasant little spot located amongst the cascades on Witches Leap creek. This is a great area for lunch on a hot day, as it is always kept cool by the falls and the shade from the surrounding trees. When venturing to the grotto, you may be lucky enough to spot the Whistler and Yellow Robins. Superb Lyrebirds are also heard and even seen frequently in the surrounding area.
